

areYouConnected

```
graph LR; A[areYouConnected] --> B[Communicative::isPeripheral Connected];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'areYouConnected'. The right box is white with a black border and contains the text 'Communicative::isPeripheral' on the top line and 'Connected' on the bottom line. A dark blue arrow points from the right side of the left box to the left side of the right box.

Communicative::isPeripheral
Connected
